VLAMMIES SUPPORTERS CLUB

Hoërskool Bergvlam invites **Parents, Partners** and **Alumni** to become an active supporter by joining the **Bergvlam Legends Committee**. We appeal to all to make a difference in our community and leave your mark for generations to come with our campaign - **"I was here"**.

Why should I get involved?

Hoërskool Bergvlam is one of the top performing schools in the Lowveld despite its financial constraints. Approximately 35% of the school's budget is subsidised by the school and therefore partnerships are essential. Hoërskool Bergvlam would like to offer our learners the best facilities, amenities and opportunities by forming partnerships and collaborating with preferred support networks within the Bergvlam community. These support networks may also create an opportunity for parents, partners and alumni to promote self-interest.

We envision that the Bergvlam Legends Committee will grow year on year and expand its influence and impact. We urge you to become part of the campaign and to leave your footprint.
