

## Bergvlam Skoollied

Verwerking en Vertaling © 2016 Anton en Tania van Zyl

Hoog teen die helling triomfantlik  
Daar troon die vlam van ons Laeveld.  
Toonbeeld van moed en van blye oorwinning  
Werd is dit meer as roem of as geld.

Like the tree stands with beauty and pride,  
Adorns our school with knowledge and insight.  
Oh, what a gift from the hand of our Father,  
Flame of our Faith, of our Love and of Hope.

### Koor/ Chorus:

As U wil en ek leef,  
As U wil en ek leef,  
Bereik ek steeds die hoogste doel,  
Waarna 'n mens kan streef.

If Thy will I shall live,  
If Thy will I shall live,  
We will with passion in this Flame,  
Let knowledge revive.
